Revisions to the Average Actual Acquisition Cost (AAC) Program

Notification Date: December 19, 2018

This letter provides notification of the semi-annual revisions to the average actual acquisition cost (AAC) rates for the Iowa Medicaid program.

Revisions to the Average AAC Program

Updated average AAC rate lists for brand and generic drugs are posted to the Iowa Medicaid pharmacy reimbursement website (<http://www.mslc.com/Iowa/AACList.aspx>). Revisions include addition of new average AAC rates, increases and decreases of current average AAC rates, or termination of current average AAC rates.

If you would like to receive email notification of the semi-annual rate revisions to the average AAC program, please send your email address to pharmacy@mslc.com.
